

8:00 – 8:50	Registration and morning coffee	
	Conference opening. Plenary meeting. Moderator: Alexander Barskov, Content Director, iKS-Media	Conference-Hall
08:50 – 09:00	Conference opening. Welcome speech	
09:00 – 09:15	"Development of digital infrastructure in the regions of the Russian Federation". Oleg Ivanov, Deputy Minister, Ministry of Digital Development, Communication and Mass Media of the Russian Federation	🎧
09:15 – 09:30	"The Russian market of commercial data centers, approach to the transformation". Dmitry Gorkavenko, Business Development Director, iKS-Consulting	🎧
09:30 – 09:45	"ANO CC DC: goals and activities". Dmitry Bederdinov, General Director, Autonomous Non-Commercial Organization "Data Center and Cloud Technologies Coordination Council"	🎧
09:45 – 09:55	"Digital infrastructure – being connected at the digital edge". Guy Willner, co-Founder and CEO, IXcellerate	
09:55 – 10:05	"Edge Computing: Innovation for the Future". Roman Shmakov, Secure Power Vice President, Schneider Electric of Russia and the CIS	🎧
10:05 – 10:15	"Infinitat solutions as a foundation for transformation and long-term planning". Alexey Kapranov, Sales Director, Infinitat Russia	🎧
10:15 – 10:25	"Discover the Edge: Compact Solutions for Big Tasks". Kirill Dmitriev, Lead Product Manager of Climate Control Systems, Rittal	🎧
10:25 – 10:35	"The Need for Speed ". Lee Funnell, ERA Technical Manager, Siemon Company	
10:35 – 10:45	"The rapid digitalization of power industry for an intelligent sustainable world". Arthur Khashimov, Senior Manager of Data Center Solutions, Huawei	🎧
10:45 – 10:55	"Smart Network Infrastructure". Sergey Khalyapin, Chief Engineer, Citrix	🎧
10:55 – 11:45	Discussion "Data Centers and the Government" Moderators: Alexander Barskov, Content Director, iKS-Media; Roman Gabaidulin, Head of Special Projects, Ministry of Digital Development, Telecommunications and Mass Communications of the Russian Federation Issues for discussion: 1 Government measures to stimulate data center industry 2 Development of the data center requirements for the deployment of the State Information System and State Cloud Platform 3 Collaboration between commercial data centers and government customers: risk analysis 4 Export potential of the Russian data center industry and cloud services Participants: Igor Semenikhin, Ministry of Digital Development, Communication and Mass Communication of the Russian Federation Dmitriy Gorkavenko, iKS-Consulting Alexey Anisimov, Department of Information Technologies of Moscow Vidia Zheleznov, Rostelecom - Data Centers Vasily Slyshkin, Ministry of Digital Development, Communication and Mass Media of the Russian Federation Pavel Tsiporin, Department of IT, Khanty-Mansiysk Autonomous Region - Ugra	🎧
11:45 – 12:30	Coffee-break	

	Section "IT infrastructure" Moderator: Nikolay Nosov iKS-Media	Section "Engineering infrastructure" Moderator: Victor Gavrilov, AMD Technologies	Section "Services of commercial data centers. Cloud platforms/services" Moderator: Stanislav Mirin, iKS-Consulting	Section "Complex solutions, the building and operation of data centers" Moderator: Shamil Kayumov, SberCloud; Sergey Lebedev, Sberbank Russia
	Press-Center	Auditorium 1	Auditorium 2	Conference-Hall
12:30 – 12:50	"Pivot3 Hyperconverged Solutions". Oleg Dmitriev, Pivot3 Product Manager, OLLY IT Company	"Use of gas powered electrical generator for power supply of data centers". Vyacheslav Gerasikov, Senior Sales Manager of Gas Generator Sets, MTU RUS 🎧	"Cloud Providing: Where is the Cloud Service Market Moving". Stanislav Mirin, Senior consultant, iKS-Consulting	"HPE services for data centers: we develop, create, operate". Denis Belyaev, Head of Data Center Engineering Infrastructure department, HPE
12:50 – 13:10	"Western Digital Technologies for Enterprise Storage". Grigory Nikonov, Systems Engineer, Western Digital	"Li-Ion UPS batteries". Evgeny Shvetsov, Leading Project Manager, Energon-Telecom 🎧	"Mega-Data Centers". Denis Afanasyev, Deputy General Director, Data Center Management Director, Rostelecom - Data Centers	"Nontypical cooling solutions for a typical data center". Irina Arepina, Key Account Manager, Hossler Telecom Solutions
13:10 – 13:30	"Russian solid state drives for data storage systems". Alexander Stepnov, Product Manager, GS Nanotech	"Freecooling all year round: is it real?". Petr Vashkevich, CTO, CROC 🎧	"Data Center: an element of the digital ecosystem for Russian business". Pavel Sudnikevich, Head of Data Center department, #Cloud MTS	"An integrated approach for optimal data center capability". Oleg Alexandrov, Key Account Manager in IT, Telecom and Data Center, Legrand
13:30 – 13:50	"Open source software on the front lines of the digital transformation". Vladimir Glavchev, Managing Director, SUSE	"The advantages of HI-FOG® fire-extinguishing systems for the Data Center Protection". Vasily Uglov, CTO, Marioff Russia; Jean-Pierre de Lasalle, Global Market Manager – Data Centers, Marioff Corporation OY	"Franchise Data Center as a platform of the Digital Development of a Region". Ilya Khala, CEO, 3data	"IXcellerate Moscow Two Datacentre – a Scalable Framework for Digital Services". Dmitry Fokin, Managing Director, IXcellerate; Sergey Vyshemirsky, CTO, IXcellerate; Evgeny Zhuravlev, KAM Colo & Cloud, VERTIV

	Section "IT infrastructure" Moderator: Nikolay Nosov iKS-Media	Section "Engineering infrastructure" Moderator: Victor Gavrilov , AMD Technologies	Section "Services of commercial data centers. Cloud platforms/services" Moderator: Stanislav Mirin , iKS-Consulting	Section "Complex solutions, the building and operation of data centers" Moderator: Shamil Kayumov , SberCloud; Sergey Lebedev , Sberbank Russia
	Press-Center	Auditorium 1	Auditorium 2	Conference-Hall
13:50 – 14:10	"The network infrastructure of the cloud data center in the age of AI. Trends and decisions". Petr Dyakov , Head of Enterprise and Data Center department, Ruijie Networks 🎧	"Modern solutions for data center cooling systems by Mitsubishi Electric". Sergey Novikov , Product Manager of Refrigeration and Ventilation division, Mitsubishi Electric	"Is it possible to use Oracle and SAP HANA DBMS from a private or public Cloud? Experience of Google Cloud and Atos". Anton Aglitsky , Sales Director, Atos
